

# JOURNAL OF ANIMAL AND FEED SCIENCES

**Vol. 10, No. 1**

**CONTENTS**

**2001**

A critique of the Cornell Net Carbohydrate and Protein System with emphasis on dairy cattle. I. The rumen model G. Alderman, J. France and E. Kebreab (Reading, United Kingdom) .....	1
Development and regulation of pancreatic juice secretion in cattle. State-of-the-art R. Zabielski (Jablonna, Poland) and S.G. Pierzynowski (Lund, Sweden) .....	25
Pro- and prebiotics in pig nutrition - potential modulators of gut health? B. Zimmermann, E. Bauer and R. Mosenthin (Hohenheim, Germany) .....	47
Effect of anionic salts and potassium intake on some blood and urine minerals and acid-base balance of dry pregnant cows on grass silage based feeding S. Tauriainen, S. Sankari, S. Pyörälä and L. Syrjälä-Qvist (Helsinki, Finland) .....	57
The effect of prepartum protein feeding on post-partum lactation performance of Ayrshire heifers and cows A.T. Tesfa, T. Kokkonen, M. Tuori, T. Saukko, L-A. Lindberg, R. Pösö, H. Saloniemi and L. Syrjälä-Qvist (Helsinki, Finland) .....	73
The nutritive value of Polish-grown lupin cultivar seeds for ruminants B. Niwińska (Balice, Poland) .....	91
Variability of apparent ileal amino acid digestibility in high-protein wheat samples for growing-finishing pigs M.Z. Fan (Guelph, Canada), W.C. Sauer and S. Li (Edmonton, Canada) .....	103
The nutritional value of differently prepared barley in growing-finishing pigs M. Flis, W. Sobotka, K. Jakubowski, L. Mieszkalski, Z. Czarnyszewicz and A. Anders (Olsztyn, Poland) .....	119
The effect of dietary levels of yellow lupin seeds ( <i>Lupinus luteus</i> L.) on feed preferences and growth performance of young pigs D. Bugnacka and J. Falkowski (Olsztyn, Poland) .....	133
Improvement in nutrient digestibility and performance of broiler chickens fed a wheat-and-rye based diet supplemented with enzymes S. Steinfeldt (Foulum, Denmark) and D. Pettersson (Bagsvaerd, Denmark) .....	143
Further studies on the use of solar-dried blood meal as a feed ingredient for poultry A. Donkoh, D.M. Anang, C.C. Atuahene, B. Koomson and H.G. Oppong (Kumasi, Ghana) .....	159

Effects of raw or extruded legume seeds on some functional and morphological gut parameters in rats H. Leontowicz, M. Leontowicz (Warszawa, Poland), H. Kostyra (Olsztyn, Poland), G. Kulasek, M.A. Gralak, R. Krzemiński and M. Podgurniak (Warszawa, Poland) .....	169
Thyroid peroxidase activity, hepatic glucose-6-phosphate dehydrogenase activity and corticosterone level in plasma and tissues of rats fed different dietary fats D. Rosołowska-Huszcz, J. Gromadzka-Ostrowska, J. Wilczak (Warszawa, Poland), K. Romanowicz (Jabłonna, Poland), M. Borysiak, M. Dębska and B. Mazurek (Warszawa, Poland) .....	185
Editorial news and events .....	201

**Vol. 10, No. 2****2001**

A critique of the Cornell Net Carbohydrate and Protein System with emphasis on dairy cattle. 2. The post-rumen digestion model G. Alderman, J.S. Blake, J. France and E. Kebreab (Reading, United Kingdom) .....	1
Dietary influences on the secretion into and degradation of mucin in the digestive tract of monogastric animals and humans K.A. Lien, W.C. Sauer and J.M. He (Edmonton, Canada) .....	201
Phytase applications in poultry feeding: Selected issues K. Żyła (Kraków, Poland) .....	247
Fattening bulls on maize silage and concentrate supplemented with vegetable oils J. Strzetelski (Balice, Poland), J. Kowalczyk (Jabłonna, Poland), S. Osieglowski (Pawłowice, Poland), T. Stasiniewicz, E. Lipiarska (Balice, Poland) and H. Pustkowiak (Kraków, Poland) .....	250
The relationship between blood plasma cholesterol and lipids and qualitative indicators of the ejaculate of Holstein and Czech Spotted bulls L. Máchal (Brno, Czech Republic) .....	273
Tissue protein and energy deposition in White-headed Mutton sheep x Polish Merino crossbred rams fed diets with different energy values M. Urbaniak, A. Frankiewicz, A. Łyczyński, W. Mroczyk, Z. Wasilewski, B. Zawadzka and M. Kulik (Poznań, Poland) .....	283
A note on the effect of energy sources on duodenal flow of fatty acids and bacterial nitrogen in sheep A. Potkański (Poznań, Poland), J. Kowalczyk (Jabłonna, Poland), M. Szumacher-Strabel, A. Cieślak (Poznań, Poland) and M. Czauderna (Jabłonna, Poland) .....	293
Comparison of nutritive value of some new commercial linseed oily cultivars for ruminants F. Borowiec, T. Zajac, Z.M. Kowalski, P. Micek and M. Marciński (Kraków, Poland) .....	301
Preliminary studies on epidermal factor (EGF) immunoreactivity in goblet cells of the small intestine by a species specific antiserum in healthy piglets and piglets	

with diarrhoea

R. Claus, J. Mentschel (Hohenheim, Germany), B. Blazey (Fellbach, Germany) and O. Munz (Hohenheim, Germany) .....	309
--	-----

The bioavailability of zinc from inorganic and organic sources in broiler chickens  
as affected by addition of phytase

S. Świątkiewicz, J. Koreleski (Balice, Poland) and Dai Qiu Zhong (Changsha, P.R. China) ...	317
---	-----

Influence of animal fat addition to diets on the rate of yolk sac resorption in chickens, blood  
and pancreas enzyme activity

T. Wiertelcki, D. Jamroz and K.A. Sobiech (Wrocław, Poland) .....	329
---	-----

The influence of different dietary fat sources on tissue corticosterone concentration in rats  
M. Stachoń, E. Fürstenberg, J. Gromadzka-Ostrowska (Warszawa, Poland) and  
K. Romanowicz (Jabłonna, Poland) .....
 341 |

Editorial news and events .....	355
---------------------------------	-----

**Vol. 10, No. 3****2001**A critique of the Cornell Net Carbohydrate and Protein System with emphasis on dairy  
cattle. 3. The requirements model

G. Alderman, J. France and E. Kebreab (Reading, United Kingdom) .....	361
---	-----

A morphophysiological conception and model of animal growth

G.G. Cherepanov (Borovsk, Russian Federation) .....	385
---	-----

Effect of calcium salt of fatty acids and copper in daily ration on milk yield and composition,  
lipid metabolism and cholesterol level in cow's milk

F. Brzóska and K. Sala (Balice, Poland) .....	399
---	-----

Effect of milk replacer feeding frequency and level on concentrate intake and rearing  
performance of calves

J. Strzetelski J., B. Niwińska (Balice, Poland), J. Kowalczyk (Jabłonna, Poland) and A. Jurkiewicz (Balice, Poland) .....	413
--	-----

Studies on N-metabolism in different gastro-intestinal sections of sheep using the digesta  
exchange technique. 1. Model and experimental conditions

A. Sandek, K. Krawielitzki (Rostock, Germany), J. Kowalczyk (Jabłonna, Poland), F. Kreienbring, M. Gabel (Rostock, Germany), T. Żebrowska (Jabłonna, Poland) and J. Voigt (Rostock, Germany) .....	421
--	-----

Effect of soyabean meal, rapeseed meal and extruded field bean seeds on duodenal amino  
acids supply in sheep

M. Urbaniak, H. Król, B. Zawadzka, M. Kulik, A. Frankiewicz, A. Łyczyński, E. Pospiech and Z. Wasilewski (Poznań, Poland) .....	435
--	-----

A note on the effect of animal fat on sheep's diet digestibility, degradability and rumen  
fermentation process

C. Goulas, G. Zervas and G. Papadopoulos (Athens, Greece) .....	447
---	-----

Addition of a fungal protease to low and high protein sorghum- or wheat-soyabean meal diets on ileal amino acid digestibility and performance of growing pigs M. Cervantes, J. González, N. Torrentera, V. González, M. Cervantes (Calexico, USA) and M. Cuca (Montecillo, México) .....	457
Effect of energy concentration on efficiency of betaine and chromium picolinate dietary supplements for fattening pigs J. Urbańczyk, E. Hanczakowska and M. Świątkiewicz (Balice, Poland) .....	471
The effect of an elevated fat level and feed protein concentrate on nutrient utilization and carcass quality of broiler chickens W. Korol, G. Bielecka, T. Jaśkiewicz and S. Matyka (Lublin, Poland) .....	485
A note on the effect of supplementation of rye diets with arabinoxylan degrading enzymes on production parameters of broiler chickens D. Boros and B. Rek-Ciepla (Radzików, Poland) .....	497
A note on the nutritive value of roasted velvet bean ( <i>Mucuna pruriens</i> ) in broiler diets S.A. Osei and A.B. Derkyi (Kumasi, Ghana) .....	505
Tannin content affects negatively nutritive value of pea for monogastrics S. Smulikowska, B. Pastuszewska, E. Święch, A. Ochtabińska, A. Mieczkowska, V.C. Nguyen and L. Buraczewska (Jabłonna, Poland) .....	511
The effects of cowpea ( <i>Vigna unguiculata</i> ) feeding on basal, exogenous cholecystokinin (CCK33) and secretin stimulated pancreatic secretions of the anaesthetized rat K.H. Erlwanger (Harare, Zimbabwe), E. Umopathy (Umtata, South Africa), C. Musara, E. Kandiwa (Harare, Zimbabwe), D. Kruszcwska, I. Mattsson and S.G. Pierzynowski (Lund, Sweden) .....	525
Editorial news and events .....	535

**Vol. 10, No. 4****2001**

Methods for correcting the metabolizable energy intakes of ruminants measured at the production level of feeding to that measured at the maintenance level G. Alderman, E. Kebreab and J. France (Reading, United Kingdom) .....	541
Estimates of genetic parameters of milk traits using REML and Gibbs sampling E. Ptak, M. Buś, M. Morek-Kopeć and A. Żarnecki (Kraków, Poland) .....	559
Milk yield and composition in cows fed rations with different energy and protein sources J. Strzetelski, K. Krawczyk (Balice, Poland), J. Kowalczyk (Jabłonna, Poland), S. Osieglowski (Balice, Poland) and H. Pustkowiak (Kraków, Poland) .....	569
The effect of dietary concentrate level on rumen enzyme profile and ciliate protozoa population in cattle fed wheat straw diet A. Santra (Avikangar, India) and N.N. Pathak (Izatnagar, India) .....	589

Studies on N-metabolism in different gastro-intestinal sections of sheep using the digesta exchange technique. 2. Passage of endogenous nitrogen A. Sandek, K. Krawielitzki (Rostock, Germany), J. Kowalczyk (Jabłonna, Poland), F. Kreienbring (Rostock, Germany), U. Schönhusen (Dummerstorf, Germany), M. Gabel (Rostock, Germany), T. Żebrowska (Jabłonna, Poland), H. Hagemeister and J. Voigt (Dummerstorf, Germany) .....	605
The influence of dietary protein and fibre on bile-pancreatic secretion in sheep T. Żebrowska, J. Kowalczyk, J.J. Pająk and Z. Długolecka (Jabłonna, Poland) .....	619
A note on the effect of different amounts and types of fat on the fatty acid composition of duodenal digesta in sheep A. Potkański, M. Szumacher-Strabel (Poznań, Poland), J. Kowalczyk (Jabłonna, Poland), A. Ciecślak (Poznań, Poland) and M. Czauderna (Jabłonna, Poland) .....	627
The performance and body composition of growing pigs during protein or energy deficiency and subsequent realimentation G. Skiba, H. Fandrejewski, St. Raj and D. Weremko (Jabłonna, Poland) .....	633
Enzymatic efficiency of plant and microbial phytase in cereal-rapeseed diets for growing pigs D. Weremko, H. Fandrejewski, St. Raj and G. Skiba (Jabłonna, Poland) .....	649
Application of the law of diminishing returns to describing the relationship between metabolizable energy intake and growth rate in broilers H. Darmani Kubi, E. Kebreab, E. Owen and J. France (Reading, United Kingdom) .....	661
Effect of volume-weight on apparent ileal and excreta amino acid digestibility and feeding value of barley for poultry S. Perttilä, J. Valaja, K. Partanen and T. Jalava (Jokioinen, Finland) .....	671
A note on variability of water extract viscosity of rye grain from north-east regions of Poland S. Smulikowska and V.C. Nguyen (Jabłonna, Poland) .....	687
Digestibility of whole grain crop silages determined by different methods P. Micek, Z.M. Kowalski, F. Borowiec (Kraków, Poland) and J.A. Shelford (Vancouver, Canada) .....	695
Author index .....	707
Contents of Journal of Animal and Feed Sciences, Volume 10 .....	723

**Vol. 10, Supplement 1****2001**

Professor Lucyna Buraczewska – On the 45 <sup>th</sup> anniversary of her personal career and 70 <sup>th</sup> birthday B. Pastuszevska (Jabłonna, Poland) .....	5
Professor Jan Kowalczyk – On the 50 <sup>th</sup> anniversary of his personal career and 70 <sup>th</sup> birthday T. Żebrowska (Jabłonna, Poland) .....	9

**Invited papers**

Nutrition in the expression of reproductive potential J.J. Robinson, T.G. McEvoy and C.J. Ashworth (Bucksburn, United Kingdom) .....	15
Organic farming – a challenge to nutritionists K. Jakobsen and J.E. Hermansen (Foulum, Denmark) .....	29
Matching animal potential to climate and feed resource E.R. Ørskov (Craigiebuckler, United Kingdom) .....	43
Probiotic feed additives – effectiveness and expected mode of action O. Simon, A. Jadamus and W. Vahjen (Berlin, Germany) .....	51
Supply of the dairy cow with amino acids from dietary protein T. Hvelplund, L. Misciattelli and M.R. Weisbjerg (Foulum, Denmark) .....	69
Dietary influence on a desirable fatty acid composition in milk from dairy cattle J. Voigt and H. Hagemester (Dummerstorf, Germany) .....	87
Modern approaches to estimation of feed value and to rationing in ruminant nutrition B.D. Kalnitsky and E.L. Kharitonov (Borovsk, Russian Federation) .....	105
Variability of amino acid digestibility in pigs: inherent factors in feedstuffs and considerations in methodology W. Sauer, J. He (Edmonton, Canada), M.-Z. Fan (Guelph, Canada), M. Cervantes (Mexicali, México), A. Kies (Delft, The Netherlands) and W. Caine (Edmonton, Canada).....	115
Fibre components negatively affect ileal protein digestibility in pigs L. Buraczewska (Jabłonna, Poland) .....	139
Some developments on Dutch nutritional approaches to protect piglets against post-weaning gastrointestinal disorders in the absence of in-feed antibiotics Z. Mroz (Lelystad, The Netherlands) .....	153
Bioactive peptides in young animal nutrition R. Zabielski (Jabłonna, Poland) .....	169
Nutritional assessment of feeds from genetically modified organism G. Flachowsky and K. Aulrich (Braunschweig-Völkenrode, Germany) .....	181
<i>In vivo</i> experiments on the safety evaluation of genetically modified components of feeds and foods Z. Zduńczyk (Olsztyn, Poland) .....	195
Ileal and total digestibility of amino acids in feeds used in mink and polar fox nutrition R. Szymeczko (Bydgoszcz, Poland) .....	211

**Vol. 10, Supplement 2****2001****Offered papers**

The effect of feeding diets with genetically modified cucumbers on the growth and health status of rats I. Kosieradzka, E. Sawosz (Warszawa, Poland), B. Pastuszewska (Jablonna, Poland), M. Szwacka, S. Malepszy, W. Bielecki and K. Czumińska (Warszawa, Poland) .....	7
A note on the effect of feeding genetically modified potatoes on selected indices of non-specific resistance in rats A. Winnicka, E. Sawosz, W. Kluciński, I. Kosieradzka (Warszawa, Poland), J. Szopa (Wrocław, Poland), S. Malepszy (Warszawa, Poland), and B. Pastuszewska (Jablonna, Poland) .....	13
Supplementation of mixed roughage-based diet with rumen protected methionine for lactating goats M. Urbaniak, A. Gut, H. Król, B. Zawadzka, M. Kulik, A. Frankiewicz and A. Lyczyński (Poznań, Poland) .....	19
Effect of duodenal infusion of methionine on milk yield and composition in ewes at late lactation fed hay-based diet M. Urbaniak, H. Król and B. Zawadzka (Poznań, Poland) .....	27
Performance of multibreed beef nurse cows with calves on ecological and fertilized pasture J. Strzetelski, K. Bilik (Balice, Poland), R. Ostrowski (Pawlowice, Poland) and Z. Choroszy (Balice, Poland) .....	33
The effect of feeding level of pre- and postpubertal heifers on their reproductive function and later milk production K. Bilik, J. Strzetelski (Balice, Poland), S. Osieglowski (Pawlowice, Poland) and P. Gogol (Balice, Poland) .....	41
Digestion of whole-crop cereal silage starch in ruminants P. Micek, F. Borowiec and Z.M. Kowalski (Kraków, Poland) .....	49
The influence of dietary starch level and type on the activity of pancreatic digestive enzymes in sheep B. Kowalik, J. Kowalczyk, J.J. Pająk, T. Żebrowska and Z. Długolecka (Jablonna, Poland)...	57
Carcass composition of Polish Lowland and Polish Merino lambs fed diets containing different protein levels J.J. Pająk, T. Żebrowska (Jablonna, Poland), A. Janocha (Siedlce, Poland), B. Kowalik and P. Dakowski (Jablonna, Poland) .....	65
Milk cholesterol level in relation to calcium soap and copper in diets for dairy cows F. Brzóska and K. Sala (Balice, Poland) .....	71
Lipids and lipoproteins in blood serum of calves receiving Yea-Sacc <sup>1026</sup> dietary supplement B. Pysera and A. Opalka (Olsztyn, Poland) .....	77

Effect of milk thistle ( <i>Sylibum marianum</i> L.) endosperm in the diet for cows on milk yield and fatty acid profiles A. Potkański (Poznań, Poland), J. Kowalczyk (Jabłonna, Poland), W. Nowak (Poznań, Poland), M. Czauderna (Jabłonna, Poland) and S. Michalak (Poznań, Poland) .....	83
The effects of different amounts and types of fat on metabolites in the rumen of sheep M. Szumacher-Strabel, A. Potkański, A. Cieślak (Poznań, Poland), J. Kowalczyk and M. Czauderna (Jabłonna, Poland) .....	91
The effects of different amounts and types of fat on rumen microbial protein synthesis in sheep M. Szumacher-Strabel, A. Cieślak, A. Potkański (Poznań, Poland), J. Kowalczyk and M. Czauderna (Jabłonna, Poland) .....	97
The effects of different amounts and types of fat on the level of conjugated linoleic acid in the meat and milk of sheep M. Szumacher-Strabel, A. Potkański, A. Cieślak (Poznań, Poland), J. Kowalczyk and M. Czauderna (Jabłonna, Poland) .....	103
The effects of different amounts and types of fat on meat fatty acid composition in sheep A. Potkański, M. Szumacher-Strabel, A. Cieślak (Poznań, Poland), J. Kowalczyk (Jabłonna, Poland), M. Urbaniak (Poznań, Poland), and M. Czauderna (Jabłonna, Poland) .....	109
The effects of different amounts and types of fat on milk fatty acid composition in sheep A. Potkański, M. Szumacher-Strabel (Poznań, Poland), J. Kowalczyk (Jabłonna, Poland), A. Cieślak (Poznań, Poland), and M. Czauderna (Jabłonna, Poland) .....	115
The effects of different amounts and types of fat on the extent of C18 unsaturated fatty acid hydrogenation in the rumen of sheep A. Cieślak, M. Szumacher-Strabel, A. Potkański (Poznań, Poland), J. Kowalczyk and M. Czauderna (Jabłonna, Poland) .....	123
Effect of the selected species of ciliates on $\beta$ -endoglucanase and xylanase activities and fibre disappearance from the rumen of sheep T. Michałowski, G. Bełżecki, J.J. Pająk and E. Kwiatkowska (Jabłonna, Poland) .....	129
Effect of the microfauna composition on fermentation pattern in the rumen of sheep T. Michałowski, E. Kwiatkowska, G. Bełżecki and J.J. Pająk (Jabłonna, Poland) .....	135
The role of <i>Eudiplodinium maggii</i> in starch metabolism in the rumen G. Bełżecki and T. Michałowski (Jabłonna, Poland) .....	141
Effect of growth period at about 15 and 25 kg body weight on amino acid ileal digestibility in young pigs W. Urynek (Warszawa, Poland) and L. Buraczewska (Jabłonna, Poland) .....	147
A comparison of calculated and determined apparent ileal digestibility of amino acids in cereal-soyabean diets for young pigs W. Urynek (Warszawa, Poland) and L. Buraczewska (Jabłonna, Poland) .....	153

<i>In vivo</i> and <i>in vitro</i> protein and amino acid digestibility of legume seeds in pig diets E. Świącch and L. Buraczewska (Jabłonna, Poland) .....	159
The effect of gelatinization degree and source of starch on the ileal and faecal digestibility of nutrients and growth performance of early-weaned piglets D. Kotara and B. Fuchs (Wrocław, Poland) .....	163
The effect of increased polyunsaturated fatty acid levels in mixtures supplemented with ascorbate and $\alpha$ -tocopherol acetate on slaughter traits of pigs J. Skomial, E. Sawosz, M. Gagucki and A. Wrzesińska (Warszawa, Poland) .....	171
The effect of a diet fortified with polyunsaturated fatty acids on the level of selected element in myocardium of growing pigs E. Sawosz, E. Kowalczyk, A. Hotowy, R. Lechowski, M. Kleczkowski and M. Fabijańska (Warszawa, Poland) .....	177
The effect of dietary amino acids composition on protein and energy balance in growing pigs H. Fandrejewski, D. Weremko, St. Raj and G. Skiba (Jabłonna, Poland) .....	183
Performance, chemical body composition, and energy balance of 70-kg pigs as affected by dietary restriction in young age G. Skiba, H. Fandrejewski, St. Raj and D. Weremko (Jabłonna, Poland) .....	191
The effect of glucosinolate fraction concentrations in rapeseed meal on daily protein deposition in the body and on internal organ weights of growing pigs St. Raj, G. Skiba, H. Fandrejewski and D. Weremko (Jabłonna, Poland) .....	197
Preliminary results on the influence of amaranthus seeds on carcass and meat quality of fatteners J.L. Sokół, B.K. Bobel, M. Fabijańska and M. Bekta (Warszawa, Poland) .....	203
Selected parameters of slaughter analysis in fatteners fed mixtures containing naked oats with or without the addition of synthetic zeolite M. Fabijańska, M. Bekta, J.L. Sokół and B. Bobel (Warszawa, Poland) .....	209
A note on naked oats as a substitute for wheat and barley for young pigs A. Maślanek, M. Flis and J. Falkowski (Olsztyn, Poland) .....	215
The use of naked oat instead of barley in complete feed for fatteners M. Fabijańska and M. Bekta (Warszawa, Poland) .....	219
The effect of acidifying preparations in feed mixtures and no antibiotic growth stimulant on production results in growing pigs A. Frankiewicz, M. Urbaniak, M. Kasproicz and P. Sawarzyński (Poznań, Poland) .....	225
Influence of some immunomodulation additives to growing-finishing diets on pig performance, carcass traits and some blood indices E.R. Grela, W. Krasucki, V. Semeniuk, S. Pecka and J. Matras (Lublin, Poland) .....	231
The effect of two feeding systems for growing pigs on growth performance, carcass and meat quality A. Łyczyński, Z. Bartkowiak, E. Pospiech, M. Urbaniak, E. Rzosińska, and A. Frankiewicz (Poznań, Poland) .....	237

Preliminary results of <i>ad libitum</i> feeding of mixtures containing a high amount of fibrous components on the reproductive performance of sows J. Urbańczyk, M. Świątkiewicz and E. Hanczakowska (Balice, Poland) .....	243
Exogenous leptin influences gastrointestinal growth and <i>in vitro</i> small intestinal motility in neonatal piglets - preliminary results J. Woliński (Jabłonna, Poland), V. Leśniewska, M. Biernat (Warszawa, Poland), M. Bąbelewska, W. Korczyński and R. Zabielski (Jabłonna, Poland) .....	249
Modification of polyunsaturated fatty acid contents in yolk lipids using various cereals and blended animal fat in hens' diets B.Z. Kamińska, R. Gąsior and B. Skraba (Balice, Poland) .....	255
The effect of enriching diets containing rape seed oil or soyabean oil with fish oil (LYSI) on the profile of fatty acids in breast and leg muscles of broiler chicken R.K. Pisarski (Lublin, Poland) and H. Malec (Dąbrówka, Poland) .....	261
The effect of storage on egg quality and fatty acids content in PUFA enriched eggs J. Niemicc, M. Stępińska, E. Świerczewska, J. Riedel and A. Boruta (Warszawa, Poland) .....	267
The fatty acids content in the tissues of broiler chickens fed diets containing a brown-seed linseed var. Opal or the yellow-seed var. Linola J. Barteczko and F. Borowiec (Kraków, Poland) .....	273
Effect of dietary fat on fatty acid composition of lipids from breast muscle and abdominal fat of broiler chickens A. Mieczkowska, V.C. Nguyen and S. Smulikowska (Jabłonna, Poland) .....	279
Effect of feeding whole or ground wheat grain on the weight of the gizzard and pH of digesta in broiler chickens A. Rutkowski and M. Wiąz (Poznań, Poland) .....	285
The effects of dietary phytase and 1,25(OH) <sub>2</sub> D <sub>3</sub> on growth and strength of bones in broiler chickens at day 21 of life I. Puzio, M. Bieńko and R.P. Radzki (Lublin, Poland) .....	291
The effect of probiotics on selected blood and meat parameters of broiler chickens M. Pietras (Balice, Poland) .....	297
The composition and nutritive value of naked oat grain ( <i>Avena sativa</i> var. <i>nuda</i> ) K. Petkov, W. Biel, A. Kowieska and I. Jaskowska (Szczecin, Poland) .....	303
Comparison of the nutritive value of naked and husked oat protein with wheat and maize I. Kosieradzka and M. Fabijańska (Warszawa, Poland) .....	309
The influence of feeding raw vs extruded soyabean supplemented or unsupplemented with sulphur amino acids on performance, pancreatic trypsin activity and morphological parameters of the jejunum in rats H. Leontowicz, M. Leontowicz, M. Biernat, M.A. Gralak (Warszawa, Poland), H. Kostyra (Olsztyn, Poland) and J. Czerwiński (Warszawa, Poland) .....	315

The influence of extrusion of faba bean seeds and supplementation of sulphur amino acids on performance, pancreatic trypsin activity and morphological parameters of the jejunum in rats M. Leontowicz, H. Leontowicz, M. Biernat, M.A. Gralak (Warszawa, Poland), H. Kostyra (Olsztyn, Poland) and J. Czerwiński (Warszawa, Poland) .....	323
The chemical composition and ruminal degradability of maize silages depending on the cultivar and mowing height at harvest H. Kruczyńska, K. Darul, W. Nowak and I. Kowalik (Poznań, Poland) .....	331
Protein degradability in the rumen and intestinal digestibility of ensiled whole-crop oat cut at different stages of maturity Z.M. Kowalski, F. Borowiec, P.M. Pisulewski, P. Micek and J. Ludwin (Kraków, Poland) .....	339
The effect of additives on palatability, voluntary intake and digestibility of lucerne and whole-crop oat silages F. Borowiec, T. Zając, Z.M. Kowalski, P. Micek and M. Marciński (Kraków, Poland) .....	345
The influence of fertilization with liquid cattle manure on the nutritive value of lucerne forage for ruminants J.J. Pająk, T. Żebrowska, P. Dakowski, Z. Długołęcka and B. Kowalik (Jabłonna, Poland)....	351
Effect of extrusion-cooking temperature on the nutritive value of lupin seeds in fattening lambs J.J. Pająk, J. Kowalczyk, T. Żebrowska, B. Kowalik and Z. Długołęcka (Jabłonna, Poland)...	357
The use of NIRS for prediction of protein content in residues after incubation in the rumen J. Kański and Z.M. Kowalski (Kraków, Poland) .....	363
An improved method for derivatization of fatty acids for liquid chromatography M. Czauderna, J. Kowalczyk and G. Chojecki (Jabłonna, Poland) .....	369
An HPLC method for determining desirable or undesirable conjugated linoleic acid M. Czauderna, J. Kowalczyk (Jabłonna, Poland), A. Potkański, M. Szumacher-Strabel (Poznań, Poland) and G. Chojecki (Jabłonna, Poland) .....	377
Quantification of conjugated linoleic acid and other essential fatty acids in ovine meat, milk, fat, and intestinal digesta M. Czauderna, J. Kowalczyk (Jabłonna, Poland), A. Potkański, M. Szumacher-Strabel (Poznań, Poland) and G. Chojecki (Jabłonna, Poland) .....	385
