

## AUTHOR INDEX

### Volume 6

- Albanell, E., Plaixats, J. (Bellaterra, Spain) and Mas M<sup>a</sup> T. (Barcelona, Spain)  
A note on prediction of maize stover quality by near-infrared reflectance spectroscopy (NIRS) technique ..... 559
- Andree, H., see Südekum, K-H. and Andree, H.
- Andree, H., see Südekum, K-H. et al.
- Aregheore, E.M. (Lusaka, Zambia)  
Effect of sex on feed intake, growth and nutrients digestibility of Blackhead sheep fed complete mash rations of crop residues ..... 71
- Assis, A.G. (Dom Bosco-Juiz de Fora, Brazil), France, J. (North Wyke, UK), Dijkstra, J.(Wageningen, The Netherlands) and Veira, D.M. (Winnipeg, Canada)  
A model for estimating endogenous protein flows in the gastrointestinal tract of ruminants ..... 289
- Auza, N., see Machado, C. et al.
- Ayala, J., see López-Alonso, M. et al.
- Bach-Knudsen, K.E., Nygaard Johansen, H. and Glitsø, V. (Foulum, Denmark)  
Methods for analysis of dietary fibre – advantage and limitations .... 185
- Baraniak, B. (Lublin, Poland)  
Chemical composition and protein digestibility of chloroplastic concentrates from lucerne juice coagulated using various methods ..... 137

- Benedito, J.L., see López-Alonso, M. et al.
- Bjergegaard, Ch., Sørensen, H. and Sørensen, S. (Frederiksberg C, Denmark)  
Dietary fibres – Important parts of high quality food and feeds ..... 145
- Bjergegaard, Ch., Sørensen, H. and Sørensen, S. (Frederiksberg C, Denmark)  
Dietary fibres and associated compounds in rapeseed and biorefined  
rapeseed products compared to DF in pea ..... 163
- Blodgett, D.J., see Lindemann, M.D. et al.
- Bodak, E., see Kołacz, R. et al.
- Brandt, M., see Schröder, A. et al.
- Brzostowski, H., Tański, Z., Milewski, S. and Sowińska, J.  
(Olsztyn, Poland)  
Meat quality of young Kamieniecka rams and Kamieniecka  
cross-breeds slaughtered at the age of 50 or 100 days ..... 333
- Buraczewska, L., see Gdala, J. and Buraczewska, L.
- Buraczewska, L., see Wasilewko, D. and Buraczewska, L.
- Castillo, C., see López-Alonso, M. et al.
- Chládek, G., see Máchal, L. et al.
- Counis, R., see Kochman, K. et al.
- Daenicke, R., see Flachowsky, G. et al.
- Dijkstra, J., see Assis, A.G. et al.
- Długołęcka, Z., see Pająk, J.J. et al.
- Długołęcka, Z., see Żebrowska, T. et al.
- Doerr, J.A., see Lindemann, M.D. et al.
- Doležl, P., see Máchal, L. et al.

Dominiguez, P.L., see Ly, J. et al.

Dziduch, J., see Grela, E.R. et al.

Faruga, A., see Mikulski, D. et al.

Flachowsky, G. (Braunschweig, Germany), Kuhn, K., Schneider, A. (Jena, Germany) and Daenicke, R. (Braunschweig, Germany)  
Influence of short-term vitamin E supplementation to bulls fed different concentrates on vitamin E content in body tissues and oxidative stability of kidney fat ..... 439

Flis, M., Sobotka, W. and Zduńczyk, Z. (Olsztyn, Poland)  
Effect of variety and dehulling on nutritional value of white lupin seeds for growing pigs ..... 521

France, J., see Assis, A.G. et al.

Frejnagel, S., Zduńczyk, Z. and Krefft, B. (Olsztyn, Poland)  
The chemical composition and nutritive value of low- and high-tannin faba bean varieties ..... 401

Gabel, M., see Schröder, A. et al.

Gabert, V.M., see Li, S. et al.

Gajewczyk, P., see Kołacz, R. et al.

Gajewska, A., see Kochman, K. et al.

Garcia, A., see Ly, J. et al.

Gdala, J. and Buraczewska, L. (Jabłonna, Poland)  
Ileal digestibility of pea and faba bean carbohydrates in growing pigs .. 235

Glitsø, V., see Bach-Knudsen, K.E. et al.

Goetsch, A. L. (Booneville, USA)  
Growing and finishing performance and body composition for St. Croix wethers consuming growing diets differing in grain and protein levels ..... 319

- Grela, E.R., Studziński, T., Rabos, A., Winiarska, A. (Lublin, Poland) and  
Dziduch, J. (Modliszewice, Poland)  
Effect of a chromium yeast supplement in growing-finishing pig diets on  
performance, carcass traits and fatty acid composition of adipose  
tissue ..... 87
- Hargreaves, L., see Huang, S.X. et al.
- Harper, A.F., see Lindemann, M.D. et al.
- Hernández, J., see López-Alonso, M. et al.
- Höhler, D., see Südekum, K.H. et al.
- Huang, S.H., see Li, S. et al.
- Huang, S.X., Sauer, W.C., Hargreaves, L. (Edmonton, Canada), Picard, M.  
(Saskatoon, Canada), and Li, S. (Edmonton, Canada)  
Effect of micronization on energy, starch and amino acid digestibilities  
in wheat for young pigs ..... 353
- Jamrozik, J., see Żarnecki, A. et al.
- Jankowski, J., see Mikulski, D. et al.
- Jurczak, M., see Świerczewska, E. et al.
- Juśkiewicz, J. and Zduńczyk, Z. (Olsztyn, Poland)  
The utilization of protein and mineral components of diets containing  
white lupin or casein supplemented with lupin hulls, manganese and  
sodium phytate ..... 413
- Kamińska, B.Z. (Balice, Poland)  
Effect of supplemental phytase to laying hen diets of different  
phosphorus content ..... 369
- Kawka, P., see Świerczewska, E. et al.
- Kochman, H., see Kochman, K. et al.

- Kochman, K., Gajewska, A., Kochman, H., (Jabłonna, Poland), Y. Lerrant and Counis, R. (Paris, France)  
Effect of 4-MeSer-GnRA on release and synthesis of gonadotropins in the female rat *in vivo* ..... 549
- Kołaczkowski, R., Bodak, E., Świtajła, M. and Gajewczyk, P. (Wrocław, Poland)  
Herbs as agents affecting the immunological status and growth of piglets weaned with body weight deficiency ..... 269
- Korczyński, M., see Pająk, J.J. et al.
- Korczyński, W., see Żebrowska, T. et al.
- Kornegay, E.T., see Lindemann, M.D. et al.
- Krefft, B., see Frejnagel, S., et al.
- Křivánek, J., see Máchal, L. et al.
- Książkiewicz, J. (Dworzyska, Poland)  
Characteristics of meatness traits in six generations of ducks in conservative groups ..... 101
- Kuhn, K., see Flachowsky, G. et al.
- Kulisa, M., and Ormian, M. (Kraków, Poland)  
A note on enzyme activity in the serum of Hucul horses of various ages ..... 281
- Kulisiewicz, J., see Sokół, J. et al.
- Kwiatkowska, E., see Michałowski, T. et al.
- Lerrant, Y., see Kochman, K. et al.
- Li, S., see Huang, S.X. et al.
- Li, S., Sauer, W.C., Huang, S.X. and Gabert, V.M. (Edmonton, Canada)  
Exocrine pancreatic secretions in growing pigs fed diets containing different levels of protein from soyabean meal ..... 207

- Lindemann, M.D., Blodgett, D.J., Harper, A.F., Kornegay, E.T. and Doerr, J.A. (Blacksburg, USA)  
Appraisal of the value of selected clays and minerals in diets with and without aflatoxin-contaminated maize fed to young pigs ..... 507
- Ly, J., Garcia, A. and Dominguez, P.L. (La Habana, Cuba)  
Chemical composition analysis of plantain foliage (*Musa paradisiaca*) and the effect of its inclusion in the diet nutrient digestibility in the pig .... 257
- López-Alonso, M., Miranda, M., Hernández, J., Castillo, C., Ayala, J. and Benedito, J.L. (Lugo, Spain)  
Seasonal variation of glutathione peroxidase, CK and AST in sheep in a low-selenium region ..... 343
- Machado, C., Matoso, H. and Auza, N. (Tandil, Argentina)  
A note on the productive performance of feedlot heifer-calves fed on two daily feeding frequencies ..... 81
- Máchal, L., Křivánek, I., Chládek, G. and Doležal, P. (Brno, Czech Republic)  
Correlation between the relative permittivity, conductivity, and qualitative indicators of bull and boar ejaculates ..... 13
- Makkink, C.A. (Wageningen, The Netherlands), Heinz, T. (Bernburg, Germany), Souffrant, W.B. (Rostock, Germany) and Versteegen, M.W.A. (Wageningen, The Netherlands)  
Endogenous N losses at the terminal ileum of young piglets fed diets based on four different protein sources ..... 219
- Mas, M<sup>a</sup> T., see Albanell, E., et al.
- Matoso, H., see Machado, C. et al.
- Michałowski, T., Kwiatkowska, E. and Pająk, J.J. (Jabłonna, Poland)  
The effect of diet on microbial mass and xylanase and CMC-ase activities in whole rumen digesta and in different fractions of the rumen contents of cows ..... 485
- Mieczkowska, A., see Smulikowska, S. et al.
- Mikulska, M., see Mikulski, D. et al.

- Mikulski, D., Jankowski, J., Faruga, A., and Mikulska, M. (Olsztyn, Poland)  
 The effect of enzyme supplementation of triticale-barley feeds on  
 fattening performance of turkeys ..... 391
- Milewski, D., Brzostowski, H. et al.
- Miranda, M., see López-Alonso, M. et al.
- Mroczek, J., see Świerczewska, E. et al
- Niemiec, J., see Świerczewska, E. et al.
- Norman, H.D., see Żarnecki, A. et al.
- Nygaard Johansen, H., see Bach-Knudsen, K.E. et al.
- Ochtabińska, A., see Smulikowska, S. et al.
- Ormian, M., see Kulisa, M. and Ormian, M.
- Pająk, J.J., see Michałowski, T. et al.
- Pająk, J.J., Żebrowska, T., Długołęcka, Z. and Korczyński, M. (Jabłonna,  
 Poland)  
 Particle size distribution and outflow rate from the rumen of cows fed  
 rations with different protein sources ..... 471
- Pająk, J.J., see Żebrowska T. et al.
- Pastuszewska, B., see Smulikowska, S. et al.
- Pickard, M., see Huang, S.X. et al.
- Plaixats, J., see Albanell, E. et al.
- Potkański, A., see Szumacher-Strabel, M. and Potkański, A.
- Rabos, A., see Grela, E.Z. et al.
- Rutkowski, A., Śliwiński, B. and Wiąz, M. (Poznań, Poland)  
 The use of phytase in broiler chicken diets containing maize and soyabean  
 or rapeseed meal ..... 533

- Sauer, W.C., see Huang, S.X. et al.
- Sauer, W.C., see Li, S. et al.
- Sawosz, E., see Sokół, J.L. et al.
- Schneider, A., see Flachowsky, G. et al.
- Schröder, A., Südekum, K.-H. (Kiel, Germany), Brandt, M. (Hamburg, Germany) and Gabel, M. (Rostock, Germany)  
Disappearance of amino acids from the gastro-intestinal tract of dairy cows fed soyabean meal or fish meal diets ..... 53
- Siennicka J., see Świerczewska, E. et al.
- Skomiał, J., see Sokół, J.L. et al.
- Slomiński, B.A. (Winnipeg, Canada)  
Developments in the breeding of low fibre rapeseed/canola ..... 303
- Słowinski, M., see Świerczewska, E. et al.
- Smulikowska, S., Pastuszewska, B., Mieczkowska, A. and Ochtabińska, A. (Jabłonna, Poland)  
Chemical composition, energy value for chickens, and protein utilization in rats of rapeseed expeller cakes produced by different pressing technologies ..... 109
- Smulikowska, S., Święch, E. and Mieczkowska, A. (Jabłonna, Poland)  
The effect of feeding whole wheat or rye and enzyme supplementation on laying performance, gizzard size and viscosity of intestinal digesta in hens ..... 541
- Sobotka, W., see Flis, M. et al.
- Sokół, J.L., Kulisiewicz, J., Skomiał, J. and Sawosz, E. (Warszawa, Poland)  
The effect of feeding diets differing in protein and energy concentrations on fattening performance of three pig crossbreeds ..... 247
- Sowińska, J., see Brzostowski, H. et al.
- Sørensen, H., see Bjerregaard, Ch. et al.

Sørensen, S., see Bjerregaard, Ch. et al.

Studziński, T., see Grela, E.R. et al.

Südekum, K.-H. and Andree, H. (Kiel, Germany)

Evaluation of three rape seed commodities in the rumen of steers  
1. Degradation of dry matter and crude protein and disappearance of  
amino acids *in situ* ..... 23

Südekum, K.-H., Andree, H. and Höhler, D. (Kiel, Germany)

Evaluation of three rape seed commodities in the rumen of steers  
2. Degradation of fibre fractions and disappearance of macrominerals  
*in situ* ..... 41

Südekum, K.-H., see Schröder, A. et al.

Szkudelski, T. (Poznań, Poland)

Phytic acid – its influence on organism ..... 427

Szumacher-Strabel, M. and Potkański, A. (Poznań, Poland)

A note on the effect of rape seed oil in concentrate/hay ration on  
microbial protein synthesis in sheep ..... 499

Śliwiński, B., see Rutkowski, A. et al.

Świerczewska, E. (Brwinów, Poland), Mroczek, J. (Warszawa, Poland),  
Niemiec, J. (Brwinów, Poland), Słowiński, M. (Warszawa, Poland),  
Jurczak, M., Siennicka, A. (Brwinów, Poland) and Kawka, P.  
(Jastrzębiec, Poland)

Broiler chick performance and meat quality depending on the type of fat  
in feed mixtures ..... 379

Świtłała, M., see Kołacz, R. et al.

Tański, Z., see Brzostowski, H. et al.

Veira, D.M., see Assis, A.G. et al.

Wasilewko, J., and Buraczewska, L. (Jabłonna, Poland)

Chemical composition and carbohydrate content of several varieties of  
faba bean and pea seeds ..... 123

Wiąz, M., see Rutkowski, A. et al.

Winiarska, A., see Grela, E.R. et al.

Zduńczyk, Z., see Flis, M. et al.

Zduńczyk, Z., see Frejnagel, S. et al.

Zduńczyk, Z., see Juśkiewicz, J. and Zduńczyk, Z.

Żarnecki, A. (Kraków, Poland), Norman, H.D. (Beltsville, USA) and Jamrozik, J. (Kraków, Poland)  
 Lifetime yield and herd life for crosses of Friesian strains in Poland ..... 1

Żebrowska, T., Długołęcka, Z., Pająk, J.J. and Korczyński, W. (Jabłonna, Poland)  
 Rumen degradability of concentrate protein, amino acids and starch, and their digestibility in the small intestine of cows ..... 451

Żebrowska, T., see Pająk, J.J. et al.

Żwirski, B., see Rutkowski, A. et al.

Żwirski, B., Szwarczewska, E. (Białystok, Poland), Niemiec, J. (Białystok, Poland), Jurek, M., Szwarczewska, E. (Białystok, Poland), and Kawa, P. (Białystok, Poland)  
 Broiler chick performance and meat quality depending on the type of fat in feed mixtures ..... 379

Żwirski, B., see Kolać, R. et al.

Żwirski, B., see Brzostowski, H. et al.

Żwirski, B.M., see Aasis, A.G. et al.

Żwirski, B. and Buraczewska, I. (Jabłonna, Poland)  
 Chemical composition and carbohydrate content of several varieties of faba bean and pea seeds ..... 123
