

PREFACE

The supplement of the Journal of Animal and Feed Sciences contains short papers accepted for presentation at the „3rd Conference on Physiology and Biochemistry in Animal Nutrition”, September 21-22, 2006, Warsaw, Poland.

The Conference is organized by the young scientists from The Kielanowski Institute of Animal Physiology and Nutrition, Polish Academy of Sciences, Jabłonna jointly with the Department of Animal Nutrition and Feed Science, Warsaw Agricultural University.

The idea of these conferences is to gather young researchers from different centers to present their own research and discuss the literature data from different points of view.

The Conference is organized and sponsored by the International Network Project „Physiology of young animal nutrition - the influence of feed additives on digestive tract and animal health” (SPUB-MSN), Ministry of Scientific and Information Technology, Poland.
