

## AUTHOR INDEX

Antoniewicz A. (Kraków, Poland)

The influence of trivalent cation and thermal treatment on ruminal degradability of field bean (*Vicia faba*) and rape seed (*Brassica napus*) protein ..... 263

Antoniewicz A., Dumańska K., Ombach A. (Kraków, Poland)

Availability of phosphorus from field bean (*Vicia faba*) and lupin (*Lupinus albus*) seeds to broiler chickens ..... 127

Boda K., see Chrappa V. et al.

Boda K., see Lauková A. et al.

Bogusz G., see Matyka S. et al.

Bryś J.B., see Kowalski Z.M. et al.

Buraczewska L., see Gdala J. et al.

Chrappa V., Sobo V., Boda K., Stražnicka H. (Ivanka pri Dunaji, Slovakia)

A note on carcass characteristics of adult Japanese quail fed recycled quail manure .... 171

Dakowski P. (Jabłonna, Poland)

Dietary protein source in the diet and digestibility of fibre fractions in sheep ..... 237

Dakowski P., see Huhtanen P. et al.

Dakowski P., see Pająk J.J. et al.

Dumańska K., see Antoniewicz A. et al.

Eggum B.O., see Jørgensen H. et al.

Gardzielewska J., Kortz J., Uziębło L., Tarasewicz Z., Karamucki T. (Szczecin, Poland)

The effect of feeding triticale and rape seed products on sensory characteristics of broiler meat ..... 59

Gawlik Z., see Strzelenski J.A. et al.

Gdala J., Buraczewska L., Grala W. (Jabłonna, Poland)

The chemical composition of different types and varieties of pea and the digestion of their protein in pigs ..... 71

Grala W., see Gdala J. et al.

Hennig U., see Żebrowska T. et al.

Huhtanen P. (Helsinki, Finland), Dakowski P. (Jabłonna, Poland), Vanhatalo A. (Jokioinen, Finland)

Composition, digestibility and particle-associated enzyme activities in rumen digesta as influenced by particle size and time after feeding ..... 223

Jakobsen K., see Jørgensen H. et al.

Jamroz D., Wiliczkiewicz A., Skorupińska J. (Wrocław, Polska)

The effects of feeds containing various levels of structural substances on morphological changes in intestinal walls and on the digestibility of the crude fibre fractions in geese (Part III) ..... 37

Jamroz D., see Wiliczkiewicz A., et al.

Janikowski W., see Niżnikowski R. et al.

Jarosz L., see Kowalski Z.M. et al.

Jonecowá Ž., see Kmet V. et al.

Jaśkiewicz T., see Matyka S. et al.

Jørgensen H., Jakobsen K., Eggum B.O. (Foulum, Denmark)	
Excretion of biliary fat and fatty acids in growing pigs .....	139
Kamińska B.Z., Skraba B. (Kraków, Poland)	
Changes in egg shell quality during the first year of laying in hens .....	51
Kański J., see Kowalski Z.M. et al.	
Karamucki T., see Gardzielewska J. et al.	
Kmet' V., Jonecová Z., Stachová M. (Košice, Slovakia)	
The effect of pectinolytic yeasts on rumen microflora .....	165
Kmet' V., see Lauková A. et al.	
Koćwin-Podsiadła M., Kurył J., Przybylska W. (Siedlce, Poland)	
Polymorphism of blood protein and meat quality of pigs from a mass population .....	89
Kontecka H., see Książkiewicz J. et al.	
Korol W., see Matyka S. et al.	
Kortz J., see Gardzielewska J. et al.	
Kowalczyk J., see Strzelcelski J.A. et al.	
Kowalczyk J., see Żebrowska T. et al.	
Kowalski Z.M., Bryś J.B., Kański J. (Kraków, Poland)	
The effect of cut, stage of growth and wilting on nitrogenous compounds and protein solubility in grass silages .....	213
Kowalski Z.M. (Kraków, Poland), Jarosz L. (Wrocław, Poland), Kański J., Kownacki B. (Kraków, Poland)	
Estimation of the effect of temperature during dehydration of grass on true digestibility of rumen undegraded dietary protein using rats .....	255
Kowalski Z.M. (Kraków, Poland), Tait R.M. (Vancouver, Canada)	
Utilization of whole barley grain by mature ewes depending on forage type and concentrate-to-forage ratio in the diet .....	205
Kownacki B., see Kowalski Z.M. et al.	
Krawielitzki K., see Żebrowska T. et al.	
Książkiewicz J. (Poznań-Zakrzewo, Poland), Kontecka H., Nogowski L. (Poznań, Poland)	
A note on blood cholesterol as an indicator of body fatness in chicks .....	289
Kurył J., see Koćwin-Podsiadła M. et al.	
Lauková A., Bodá K., Kmet' V. (Košice, Slovakia)	
A note on the influence of microgravity on the microbial endoecosystem of Japanese quail .....	295
Lipiarska E., see Strzelcelski J.A. et al.	
Maciaszek K., see Strzelcelski J.A. et al.	
Matyka S., Jaśkiewicz T., Bogusz G., Karol W. (Lublin, Poland)	
A note on the chemical composition of low glucosinolate rape seed produced in North-Eastern Poland .....	177
Niżnikowski R., Janikowski W., Rant W. (Brwinów, Poland)	
The effect of crossing of Corriedale type ewes with prolific ramş on the wool productivity of their progeny .....	81
Nogowski L., see Książkiewicz J. et al.	
Ørskov E.R. (Bucksburn, UK)	
Reorientation of livestock research in Poland .....	1
Ombach A., see Antoniewicz A. et al.	
Pająk J.J., Słowak M., Dakowski P. (Jabłonna, Poland)	
Fattening performance of Polish Lowland lambs related to protein level in the diet ....	193
Pająk J., Żebrowska T., Żebrowska H. (Jabłonna, Poland)	

Protein content in the diet for fattening lambs. 2. The chemical and amino acid composition of the body and utilization of amino acids apparently absorbed in the small intestine .....	27
Pająk J., see Żebrowska T. et al.	
Pietras M., see Wir-Konas E. et al.	
Przybylska W., see Koćwin-Podsiadła M. et al.	
Rant W., see Niżnikowski R. et al.	
Ryś R., see Strzelcelski J.A. et al.	
Ryś R., see Wir-Konas E. et al.	
Schadereit R., see Żebrowska T. et al.	
Skorupińska J., see Jamroz D. et al.	
Skorupińska J., see Wiliczakiewicz A. et al.	
Skraba B., see Kamińska B.Z. et al.	
Skrypek R. (Poznań Poland)	
Effects of parity and disorders of the periparturient period in cows upon biochemical and immunological parameters in newborn calves .....	279
Słowiak M., see Pająk J.J. et al.	
Sabo V., see Chrappa V. et al.	
Smulikowska S. (Jabłonna, Poland)	
A simple <i>in vitro</i> test for evaluation of the usefulness of industrial enzymes as additives to broiler diets based on rye .....	64
Sroka M., see Strzelcelski J.A. et al.	
Stachová M., see Kmet V. et al.	
Stasiniewicz T., see Strzelcelski J.A. et al.	
Strażnicka H., see Chrappa V. et al.	
Strzałkowski W., see Żarnecki A. et al.	
Strzelcelski J.A., Lipiarska E., Kowalczyk J., Stasiniewicz T., Maciaszek K. (Kraków, Poznań)	
The use of rape seeds in a complete feed in intensive fattening of young bulls .....	107
Strzelcelski J.A., Ryś R., Stasiniewicz T., Sroka M., Gawlik Z. (Kraków, Poland)	
The effect of feeding ground formaldehyde or heat-treated rape seeds on cow performance and milk composition .....	97
Tait R.M., see Kowalski Z.M. et al.	
Tarasewicz Z., see Gardzielewska J. et al.	
Uziębło L., see Gardzielewska J. et al.	
Vanhatalo A., see Huhtanen P. et al.	
Wiliczakiewicz A., Jamroz D., Skorupińska J. (Wrocław, Poland)	
The effect of diets containing different levels of structural fibre on intestinal length, dry matter content of digesta, biochemical indices and electrolyte concentration in blood serum of geese .....	117
Wiliczakiewicz A., see Jamroz D. et al.	
Wir-Konas E., Ryś R., Pietras M. (Kraków, Poland)	
The influence of thyrotropin-releasing hormone (THR) on growth rate and thyroid activity in broiler chicks .....	183
Żarnecki A., Strzałkowski W. (Kraków, Poland)	
Sire evaluations at different levels of milk production .....	9
Żebrowska H., see Pająk J. et al.	
Żebrowska H., see Żebrowska T. et al.	
Żebrowska T., Kowalczyk J. (Jabłonna, Poland), Krawielitzki K., Hennig U., Schadereit R. (Rostock, Germany)
